

The Bystronic logo consists of the word "Bystronic" in white, bold, sans-serif font, centered within a red square. The letter "y" is stylized with a grid of white dots.

**Best choice.**

## **The New 6 Kilowatt Fibre has arrived in South Africa**

The 6 kilowatt laser considerably increases the BySprint Fiber's cutting speed in the thin to medium range of sheet thicknesses. For example in 3 millimeter thick stainless steel, by up to 70 percent compared to the 4 kilowatt fiber laser.

### **Available Table Sizes:**

4020

3015

Laser | Bending | Waterjet
